## The Book of the Month

[Ego is the Enemy: The Fight to Master Our Greatest Opponent](#)

### About the Author:

Ryan Holiday is the bestselling author of Trust Me, I'm Lying, Growth Hacker Marketing and The Obstacle is the Way. His books have been translated into seventeen languages and his writing has appeared everywhere from the Columbia Journalism Review to Fast Company. He was director of marketing at American Apparel for many years, and his strategies in growth hacking and advertising are used as case studies by Twitter, YouTube and Google.

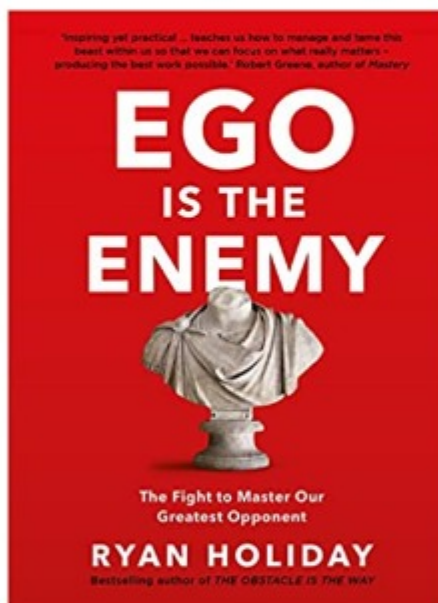

### About the Book:

In Ego is the Enemy, Ryan Holiday shows us how and why ego is such a powerful internal opponent to be guarded against at all stages of our careers and lives, and that we can only create our best work when we identify, acknowledge and disarm its dangers. Drawing on an array of inspiring characters and narratives from literature, philosophy and history, the book explores the nature and dangers of ego to illustrate how you can be humble in your aspirations, gracious in your success and resilient in your failures.
